Beckmann's donates bread and pastries to community organizations on a case by case basis. Preference is given to organizations which support the environment, educate children, encourage health and fitness and feed those in need, but all requests are considered. In case of a donation Beckmann's appreciates visibility of our name/logo wherever possible at the event, as well as a name/logo recognition as a donor on printed promotional material. We appreciate receiving copies of promotional material whenever possible.

Please submit your request one month in advance. We do consider donation requests up to two weeks prior to the event, but the final approval will also depend on our promotional budget for the date requested.

For all bread and pastry donations we require:

1. Arrangements Finalized 2 weeks before Pickup.
2. Pick up at our facility.
3. C.O.C (cash) if purchased at a discount.
